Contact phone number or email address

Please see the next page for important information regarding Tax Parcel Divisions

Requirements for Filing

1. Creating a tax parcel does not guarantee that the parcel may be built upon or improved due to local permitting requirements.
2. Divisions can not be processed until both installments of all current tax payments are paid in full.
3. Divisions or consolidations can not be processed until all previous tax payments are paid in full.
4. Ownership must be identical for all parcels to be consolidated.
5. All parcels to be consolidated must have the same tax code.
6. All parcels to be consolidated must be adjacent.
7. All requests received after August 31st. will be processed for the following tax year.
8. A survey is required for all requests that involve legal descriptions with vertical elevations.
9. This request form cannot be used to make changes to a condominium. An amendment may have to be adopted and filed with the Recorder of Deeds.
10. Please include property location information for each new tract if available.
11. If the property is in trust, the trustee must sign the request.
